Anticipated Installation Dates For HVAC Coming Your Way!

We will be installing ductless heat pumps in units starting on July 19th. We're providing notice of times when installers will need access to your homes. These ductless pumps provide energy efficient heat and air conditioning. They'll save you a bundle on your power bill, and will also help filter the air in your apartment. They are much more efficient than your current heat systems and are head and shoulders above the removable air conditioning units that mount in your windows.

Your Installation Date: _____

Ductless Air Conditioners Soon To Be Featured @ OV

OV's Comings and Goings

Please join us in welcoming the following residents to the Olympia Village community:

Cherilea is moving into B-6, while Emily arrives in August for D-5. Kristina and Jordan are joining us in C3 and are getting married in August! Welcome back Mark, we're glad to have you return in B-10. Sadly we are losing gardener extraordinaire Vicki who is Leaving D-5. Thanks for making our homes beautiful.

Units will be installed in living room next to front facing window.

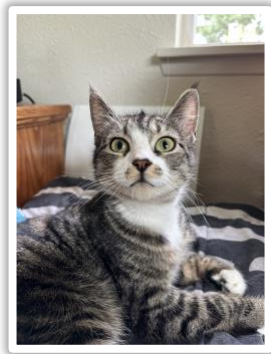

Sammy and Sassy's Rescue at Work

Come visit our rescues in the A meeting room. They're very little and available for adoption. We're seeking volunteers to spend time with our furry critters. Even if you just want to swing by for a pet and a cuddle, these little tigers are craving your love. Olympia Village is seeking volunteers to not only work with our Kitty Rescue, but also our food delivery program. Please contact the office if you're interested in participating in these amazing and unique priorities.

Meet Momma

This sweet girl is the mother of the kittens that are featured below. She loves to snuggle and wants to love on you as much as you want to love on her. Come give her a scratch behind the ears when you've got a free minute.

Marilyn

Marilyn is a green eyed beauty. She's so gentle and playful! She gets along great with other kitties and loves to chase her string. She's been watching you from the window, just waiting for the chance to meet you. Stop by to say hi!

The Kittens

We have four female kittens that will be available for adoption in mid-August. They fit in the palm of your hand and vary in color. All are well cared for and doing much better since their rescue on June 4th.
