Olympia Village Is Constantly Improving For You!

It is with great excitement that we announce our plans to upgrade all apartments on lottery schedule with state of the art ductless heat pumps. This innovative change will reduce your heating bill by more than fifty percent and provide the necessary air conditioning we all crave during the sweltering summer months.

Remembering John McCarthy – John McCarthy was a longtime resident at Olympia Village. He spread joy every day with his positive attitude, and bright smile. He remains a cherished part of our community as we remember his kindness and charitable nature. John chose Feline Friends as the recipient of his philanthropy.

Community Activities

Looking for a little time out of the house? Here are a few ideas to get you moving...

The Movies

Century Theatres at the Capital Mall offer a half off movie night on Tuesdays. Grab a bucket of discount popcorn and catch the latest flick!

Japanese Garden

If you love spending time in the gardens at Olympia Village, you might also enjoy a short trip to the Japanese Garden located just a mile or so from your apartment on Union Ave in downtown. Yashiro is a peaceful place, where you can read a good book, or just spend some contemplative time with your thoughts.

Bowling

Are you interested in recapturing an age old past time? What's more neolithic than rolling a rock to knock down a bunch of sticks. Get in touch with your inner cave person and try one of several bowling alleys in Olympia. If you're worried about the weight of the ball, or keeping it out of the gutter, fear not... they have rails to keep the ball in play, and lightweight rocks for proper tossing.

Book Group

Olympia Village is interested in hosting a weekly book club. We need an organizer to set up meetings. Could that be you? Imagine how fun it would be to have a weekly outing held in one of our beautiful meeting rooms were snacks can be shared and fun can be had.

WE CARE ABOUT YOU!

Please reach out with more ideas for how to improve our quality of life. Our aim is to make you feel at home!

Sincerely,

Olympia Village Staff
